

Living with COPD

A Research Option...

We are conducting a research study that will measure whether an investigational medication will improve breathing. All study-related care is provided at no charge, including physical exams, lab services and study medication. Compensation for time and travel may be available.

You may qualify for this research study if you:

- ✓ Have been diagnosed with COPD
- ✓ Are at least 40 years old
- ✓ Are a current or previous smoker
- ✓ Do not have a history of asthma

You may be eligible to participate in a study.
